

Good afternoon,

It has been lovely to welcome back reception already this week and we look forward to seeing year 1 tomorrow. Currently we are operating two bubbles with less than 6 children in each group for two days per week each. As some families have decided not to return to school yet, we have reviewed the provision and have decided to make some changes which will enable both reception and year 1 to attend school for four days per week.

Starting next week (Monday 15th), reception and year 1 will join together in one bubble. This will still be less than 15 children as stated in the guidance from the government and they will have two members of staff- Mrs Letten and Miss Poulter. This change will mean that both reception and year 1 children are able to attend Monday, Tuesday, Wednesday and Thursday from 9.00-3.15. Fridays will be used for planning and deep cleaning and therefore children will not be in school.

I hope you all agree this is a really positive step to support their learning. Like everything, we will continue to follow the government guidance and will let you know of any further changes accordingly.

Kind Regards

Michaela Carney
