

A Message from Miss Smithson

We have had another fantastic two weeks in school, learning and having fun with our friends. There have been so many days this term so far where we have had 100% attendance—which is absolutely brilliant!

Well done everyone.

This picture from Robins really makes me smile. A well deserved celebration after persisting with some tricky construction work.

Have a lovely, safe weekend.

Artistic Owls

Owls have been learning about shading using chalk and created these stunning Egyptian sunsets!

Kingfishers

Kingfishers have had a lot of fun this week - despite assessments! We have had a creative and busy week which has included looking at Greek vases and creating our own.

We have been so impressed with their attitudes and work ethic.

Twitter

Twitter will now be the way we celebrate all the exciting things we are doing in school with our community. We would love all our families to follow us to keep up to date with what we are doing.

All parents who are following us on Twitter by the end of this half term (Friday 23rd October) will be entered into a prize draw. Some of the prizes include a £20 Amazon voucher and a family ticket to Footgolf, York.

Our Reading Charts

We are so pleased with everyone who is reading and getting ticks on our class reading charts. There has been so many wrist bands and certificates given out! Which class will win?

Five Star Food!

Well done to Mrs Fenwick, our school cook, who has achieved her five stars hygiene award!

If your child would like to start having a school dinner, please take a look at our menu on the school website.

Walk to School Week!

We are taking part in York's Walk to School week from **Monday 5th—Friday 9th October**. Children can walk, bike or scoot to school to help us be in with the chance to win £300 to spend on equipment for school!

Please can we remind all parents not to park on the zig-zag lines outside of school. It is important that we keep our whole community safe.

Thank you.

Works of Art by Woodpeckers

After going on an autumn nature walk around the school, we created leaf people complete with googly eyes—they look fantastic!

Attendance

Ducklings

95.74%

and Robins

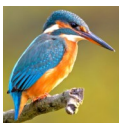

Woodpeckers

100%

Owls

100%

Kingfishers

96.43%

**Our winning class is:
Woodpeckers & Owls!**

Thank You!

A huge thank you to Friends of Skelton for buying Early Years new water-proofs ready for winter in Forest schools!
