A Message from Miss Smithson

As I walk through school, it is wonderful to see all of our children having fun and loving their learning. Our children are full of pride for achieving bronze and silver on the behaviour chart and reaching gold on our reading chart!

The atmosphere around school is delightful and everywhere I go I see happy, smiling children. Please follow your child's class twitter page to see what they are up to!

Our first Golden child!

Well done to Pearl in Robins for achieving 10 silvers and being our first child on gold on the behaviour chart! What a brilliant role model for our school!

Special visitors

Ducklings and Robins had some special visitors. The police told us all about how they can help us. We asked lots of interesting questions and they gave us some lovely stickers!

Art Day at Skelton!

We have all thoroughly enjoyed our art day and have created some beautiful pieces of artwork. They are all going to look amazing displayed around school.

Twitter

Twitter will now be the way we celebrate all the exciting things we are doing in school with our community. We would love all our families to follow us to keep up to date with what we are doing.

All parents who are following us on Twitter by the end of this half term (Friday 23rd October) will be entered into a prize draw. Some of the prizes include a £20 Amazon voucher and a family ticket to Footgolf, York.

Admissions Consultation

This year's Admissions Consultation is being jointly held by all admissions authorities in the City of York between 12th October and 29th November 2020. The consultation includes the admissions policies and Skelton Primary School in the Reception Class in September 2022.

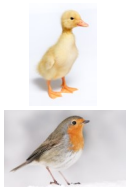

For more information please visit our school website.

Outdoor fun!

Ducklings and Robins have been inspired by the Autumnal changes! We loved making leaf kebabs to help develop our fine motor skills.
