A Message from Miss Smithson

"Nothing beats kindness," said the horse. "It sits quietly beyond all things."

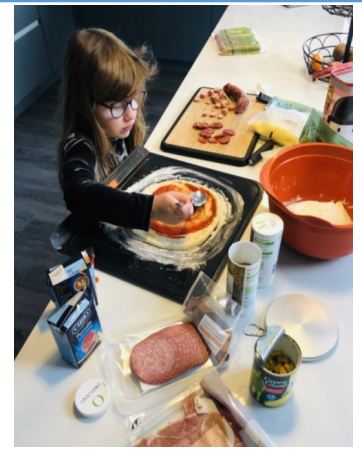

I hope you are all safe and well. We would all like to say a huge thank you to our parents who have done an incredible job in supporting our children this half term. It has been a challenging six weeks, but we have been so impressed with all the remote learning that has taken place. We really do appreciate all the kindness and support you have given us. Thank you.

I hope you all have a safe and restful half term break.

#NationalPizzaDay!

We all had great fun celebrating National Pizza day this week! We designed and made our own pizza! I think our favourite part was eating them!

Robins have made bird feeders for the forest. We hope our Robin friends find the food we have left out for them.

Owls loved baking a fresh batch of cookies. They were delicious!

Snow fun

Forest Fence

We have bought a new fence for our Forest School. If anyone is able to help put up the fence please contact school.

Thank you.

Chinese New Year!

Celebrations have started at home and in school. We made these colourful Chinese Lanterns.

Amazing Awards!

Well done to these superstars for receiving the home learner of the week certificates from their class teacher!

Look out for your certificates in the post.

Frankie, Lacey and Aaron
