Information for parents on the wider opening of school – Monday 8th March

Dear Parents,

I hope that this letter finds you and your families safe and well. We are delighted that all children will be returning to school on Monday 8th March.

The arrangements are similar to those of the autumn term and I have summarised the main points below. If you would like further information, our full risk assessment is on our school website.

Key information:

- School attendance is compulsory with all children expected to return.
- Children will wear school uniform. Uniforms do not need to be cleaned more often than usual.
- Children will continue to be in ‘bubbles’ with allocated adults that will work solely within these groups.
- The staggered drop off (8.45am – 9am) and pick up (3pm – 3.15pm) will continue.
- One parent to drop off and pick up per family. Please continue to socially distance and wear a face mask on school site.
- Parents are still unable to enter the school building.
- We will continue with our increased cleaning to ensure that surfaces, handles and other priority spaces are regularly cleaned throughout the day.
- Children can bring coats, lunch boxes, water bottles (with water only) and their reading books to school.
- Children will continue to come to school in P.E. kit every Thursday.
- The school dinner menu will return on Monday (this may be subject to minor changes).

Skelton Primary School

- Please can any borrowed books and chrome books be returned to school.
- Anyone displaying symptoms of COVID-19, must not enter the school site. Everyone must be ready and prepared to book a test if they have symptoms and to share the results of the test with school. You will also need to be prepared to provide details of people that you have been in contact with, if you or your family display symptoms.

Wraparound care

Breakfast and after school club will continue. Breakfast club opens at 7.45am and after school club closes at 5.30pm. As always, booking is available by contacting the School Office. Children will be mixing with friends from other bubbles in these clubs.

If you have any questions about the full reopening of school, please do not hesitate to contact me.

Yours sincerely

H Smithson
