A Message from Miss Smithson

It has been the most phenomenal week after the full re-opening on Monday. I am delighted to see all our children back in school and having fun. Everyone has been busy with lots of outdoor learning and creating different collages on art day. I am so proud of how everyone has settled back in so quickly.

Ducklings and Robins have been busy planting bulbs and sowing seeds. We have lots to look after and watch grow. Thank you Mrs Thompson for helping us!

Kingfishers had a wonderful time making clay animals and habitats!

The Victorians

It was so lovely to get our hands on some real artefacts courtesy of Miss Bedda. It really brought the topic to life and we enjoyed trying to work out what everything was.

Woodpeckers loved spending time outdoors this week! We used paint swatches to match different natural materials we found.

Owls have had a great first week back in school. They have been busy learning about Tudors, sharing stories and playing outside.

Football kit

We are looking for a business in our local community to sponsor us for a new football kit. If you are able to support us, please contact Miss Smithson.

Busy Robins

Robins have loved building ball runs and creating their own obstacle courses.

Exciting baby news!

We would all like to give Mrs Cope our best wishes as she starts her maternity leave at Easter. Mrs Cope is a highly valued member of our team as Trust Lead SENDCo. Mrs Mills will be stepping up into this role until Mrs Cope returns after maternity.

Dates for your diary

22nd March—DT day
24th March—Owls Tudor party
25th March—Non uniform day
26th March—Teacher training day (school closed)

Easter Holidays

12th April—Summer term begins
12th April—Fitness fun day
