A Message from Miss Smithson

What gorgeous weather we have had so far this term. It has been a fun packed two weeks with fitness fun day, art day, science week and Earth day. There is a real buzz around school and it is lovely to see all our children laughing, smiling and enjoying their learning.

Science week!

Science week has been so inspiring. From learning about shadows, engineering, computer scientists to weather reporting with BBC weather presenter Nick Miller!

Marvellous music

We love our music lessons each week. We have been learning different songs, finding the pulse and clapping rhythms to the songs.

Forest schools

Outdoor learning is crucial for our well-being. We are so proud that every child in school is now enjoying a Forest School lesson every week. We have brand new equipment, resources and the children love exploring our newly developed forest.

Fitness fun day!

Polite reminders

Please can we remind parents that only stud earrings are permitted in school.

Please can all long hair be tied back.

Thank you.

Our morning circles

As part of PSHCE, every morning each class takes part in a morning circle. We have a fun question each day and the children show our value of respect as they listen to each answer.

Earth Day

This week we celebrated Earth Day.

This year's theme was about reducing waste. Each class has made an action plan as to how we can achieve this in school.

Dates for your diary

3rd May - Bank holiday

14th May - Pjammarama—a reading celebration day. All children are invited to come to school in their Pjamas.

21st May - Hero day! Children are invited to dress up as their favourite superhero or as someone who is a hero to them.

28th May - Break up for half term.

7th June - School reopens

12th July - Careers week

16th July- School reports to parents
