### A Message from Miss Smithson

#### Halloween Bake Sale

When: Thursday 21<sup>st</sup> October

Where: Skelton Primary School

When: 3.15pm onwards

Come by after school to Skelton's Halloween Bake Sale.

Over the Autumn term, we are planning lots of different fundraising events. Our aim is to raise enough money to buy the school its own defibrillator. Your support with these events is appreciated and any donations towards this important piece of equipment are welcomed. Have a lovely weekend.

### Local area week

Wow! What a brilliant week learning about and celebrating our local area. We are incredibly lucky that our school is in such a beautiful village. We enjoyed our local walk, creating artwork and writing poems.

*We are always so proud of our reading and reaching bronze, silver and gold on the reading chart!*

*The whole school had a lot of fun when Mixie from York Mix Radio visited us. We ran laps of the school field and we managed 92 miles collectively!*

### Art day

*Our art day has been based on developing our observational drawing skills focussing on nature. Our inspiration came from the book 'Hello Nature' by illustrator Nina Chakrabart.*

Ducklings loved taking their maths learning outside. We used natural materials in the forest to make our own repeating pattern.

Friday 22nd October will be a non-uniform day to celebrate all children reaching gold on the reading chart!

### Dates for your diary
