### A Message from Miss Smithson

This is my favourite photo of the week! The buzz and excitement for reading in school is amazing. Our children are so keen to tell us about the books they are reading and reaching bronze, silver and gold on the reading chart. I am extremely grateful for all the reading you do at home with your children and for writing such lovely comments in their reading records. Thank you so much for your support with this.

### Francophone week!

We all learnt so much during Francophone week. Each class studied a different French speaking country. Our week started with a delicious French themed breakfast and then we learnt so many facts about different cultures, flags and landmarks.

A huge congratulations to Mrs Crump and her family who are expecting their second child in May 2022.

This is such wonderful news and we are incredibly happy for you all.

### Maths week

We enjoyed our shape learning during maths week!

We love our weekly PSHE lessons. This week, Ducklings and Robins discussed all the things they are good at.

### P.E. Kit

Please can children have their P.E. kit in school every day. Teachers will send P.E. kits home at the end of every half term for washing.

Thank you for your support with this.

### Extra-Curricular clubs

We are delighted to share some of our planned clubs for the year.

Autumn 2—Baking with Miss Bayliss

Spring 1—Eco club with Miss Hill

Spring 2—Forest School with Mrs Crump

Summer 1—Art and Crafts with Miss Meadows.

Due to the school being on a trip on 19th November, we will have a Non-uniform day on Thursday 18th November to support Children in Need.

### Covid guidance

If any positive covid cases are reported within school, guidance requires the NHS track and trace to contact any close contacts and that communication should not be made from the school directly to parents.

Many thanks.
