A Message from Miss Smithson

A huge thank you to everyone who completed our parent survey. The feedback you gave was extremely positive and the whole team really appreciated all the kind and supportive comments you made.

Our purple pig farm visit yesterday was fantastic. The children absolutely loved spending time with the different animals.

Have a lovely weekend.

Fun with the Farm!

Owls have started their mountain soundscape. They used different instruments to recreate the sound of rain, thunder, wind and sunshine.

World book day was so much fun. The children's costumes were fantastic, thank you all so much. We shared so many stories throughout the day.

Forest fun making bird feeders and jumping in puddles!

Woodpeckers science experiment was inspired by Charles Macintosh.

The children investigated different materials and whether they were waterproof or not.

PTA

If anyone is interested in leading or being a part of our PTA please speak to Miss Smithson. The role will include helping to prepare for events and being a part of the school's fundraising team.
