### A Message from Miss Smithson

*Skelton School is such a magical place to be. It is full of fun, laughter and happiness. This wonderful photo really does capture everything our school is all about.*

*Thank you for your support towards Comic Relief. We raised £98, well done everyone!*

### Chicks!

*We have adored caring for our chicks over the last two weeks!*

We are loving Mrs Crump's Forest School club!

This week we enjoyed whittling and wand making in the forest.

Kingfishers were fascinated by their visitor who came to speak to them about their faith and what it means to her to be a Muslim.

We listened carefully, studied artefacts and used a VR to explore the inside of a Mosque.

In PSHCE, Robins have been learning about the importance of sleep and a healthy diet. They created a healthy and unhealthy snack and acted out their night time routines.

## Congratulations Mrs Mills!

We would like to wish Mrs Mills lots of luck when she starts her new role at the Steiner school after Easter. Thank you for all your hard work.

## See you soon, Mrs Cope

We will be welcoming Mrs Cope back to school after the Easter holidays. Mrs Cope is returning from maternity leave.
