A Message from Miss Smithson

It hasn't quite sunk in that this is my last newsletter at Skelton. I have made so many wonderful memories here and it has been an absolute pleasure working alongside your community. I am so proud of our children and everything we have achieved at school. Skelton has a wonderful team of hard-working and dedicated staff who truly care for your children. I know that everything about Skelton is going to continue to grow from strength to strength and I am really looking forward to continuing to work closely with Skelton in the years to come.

Have a wonderful Easter and thank you for all your incredible support.

*A surprise from the
Easter bunny!*

*Ducklings and
Robins loved their
Easter egg hunt in
the forest.*

Thank you for supporting our Easter fair. It was a great success!

Thank you for all
your generosity
towards St Leonard's
Hospice and our
fundraising day.

We raised £225.49
which is incredible!

Bus tour trip

Woodpeckers really
enjoyed their Bus Tour
around York. We learnt
all about the human and
physical features of York
and recognised many of
the different landmarks.

Robins and Woodpeckers gathered their own kindling, whittled sticks for
their marshmallows and enjoyed s'mores around the fire.

A warm welcome to Miss Massey

Hello, I am Miss Massey. I'm very much looking forward to joining the Skelton team after Easter and I have enjoyed meeting some parents and children already. I have been in education for over 25 years in Manchester, London and York. I was a headteacher in London for 13 years and for the last couple of years I have been supporting headteachers and leaders across 9 schools in York, I have also enjoyed being back in class teaching again. Away from school, I live in York with my daughter and cat. I love reading, running and adventures! I'm looking forward to getting to know you all more. Please come and say hello at the school gate after the Easter holidays.
