### Robins

Robins have been reminiscing about their wonderful year in Reception. They talked about lots of enjoyable moments and activities, like when we had farm animals visit us and our walks around the village to find the pond, shop and church. They have also loved reading, listening to and writing their own stories. Many of the children shared their excitement for preparing for and attending our school fairs. They also very much enjoyed the forest school Easter egg hunt (and the chocolate prizes). One of our children couldn't decide on his favourite things because he loved 'everything'!
